

Rejected A Client's Loan? IFG can help!

Improve your client's cash flow immediately:

- Clients can convert their accounts receivables into cash immediately.
- Clients use the cash to pay employees, fill new orders or take advantage of supplier purchase discounts.
- Clients don't take on debt or give up equity.

Flexibly fund your clients fast:

- IFG offers a "use-as-you-need-it" financing service.
- IFG allows clients to receive and pay for only the amount of cash they need.
- IFG has no monthly minimums and will execute a transaction as low as \$1,000.
- IFG can fund your client within a week of first contact. Subsequent fundings within 24-48 hours.

Grow your relationship with your client:

- You can give an alternative to a "No" or "rejection" response.
- You become more than a banker, but a solution provider for your client.
- You continue to maintain your banking relationship with your client.
- You can help your client become a stronger client.

Thank you for your referrals!
